The Use of the Family/Visiting times: The mind and the seat can handle only so much spiritual feasting in a day and there is need for time to digest what has been heard. There is also a need for some fresh air and exercise and for visiting with each other as well as the speakers. These times should not be seen as a waste of good time, but used for personal prayer, meditation, exercise, and Godly fellowship. There is a block of time reserved for Sabbath Preparation on Friday afternoon so no one will find it necessary to miss a meeting to take care of this.

The children ages 5-12 will have a full schedule of meetings. Cradle Roll (ages 0-4) will be provided for two meetings per day (8:45 a.m. & 4 p.m.). Tammy Eakins will have the Cradle Roll program. Ages 3 and 4 may also go with the rest of the children for the morning Nature Walk (afternoon on Sabbath). **Children: Ages 5-8** will have class with Amy Gillis. **Primary/Junior: Ages 9-12** will be with Robin and Patrick Jones. **Youth: Ages 13-18** will have two meetings each day with Mike Bauler or Bill Hughes. A schedule can be picked up upon arrival.
